## PROFILE

Motivated and tech-savvy Software Engineer student at Open University of Sri Lanka with hands-on experience in software development through internships and academic projects. Proficient in programming languages such as **Python, Java, ReactJS, ReactNative, Node.js, Express.js, MongoDB, Android Studio** and **SQL** and familiar with web development technologies including **HTML, CSS**, and **JavaScript**. Demonstrated ability to solve complex problems, collaborate effectively in team environments, and continuously learn and adapt to new technologies. Seeking an internship or entry-level position to apply my skills and contribute to innovative projects.
